ARE YOU LOSING SLEEP WORRYING?

Poor reading or dyslexia, poor behavior, ADHD, and difficulty making friends are just a few of the worries parents face

"Why is my child misunderstood?"

"Will they struggle forever?"

"I want to do everything I can for my child - but what can I do?"

...a personalized, coordinative exercise program could be the answer!

Schedule a 20 minute eye tracking assessment to find answers to all these questions and understand the real cause of your child's struggles

"Seeing our son's eye tracking video was a real shock – it was clear he had a problem ... But now we had a way forward and someone to help us"

Ian Davies, Coventry
